### Junior Engineer (WaSH)

**About Tata Trusts:** Tata Trusts are amongst India's oldest, non-sectarian philanthropic organization. The Trusts have played a pioneering role in transforming traditional ideas of charity and introducing the concept of philanthropy to make a real difference to communities. Through grant-making, direct implementation and co-partnership strategies, the Trusts support and drive innovation in the areas of natural resources management; education; healthcare and nutrition; rural livelihoods; enhancing civil society and governance; media, arts, crafts and culture; and diversified employment.

**About Centre for Microfinance & Livelihood (CML):** As an Initiative of the Tata Trusts, CML imbibes the larger vision, values and goals of the Trusts, carrying along with it, its core competence in capacity building, linkage, facilitation and implementation. Currently, CML is intensively focusing in the states of Manipur, Assam, Tripura, and regions of Meghalaya, under its efforts of Skilling youths, establishing state of the art facilities for promoting Sports and promotion of rural livelihoods.
